

Web Site Permission Form for use of Photograph's of Minors

Dear Parents:

The Nativity of Our Savior Youth Ministry reaches out to our Youth to give them a Catholic environment to have fun and interact with other Catholic youth. Many times, this group has outings or events that our children take part in where photographs are taken to remember the event. Part of preserving our Parish history is by taking photographs. Taking photographs and hiding them away doesn't give the participants a chance to look back and remember the good times they had. In an effort to provide everyone a chance to see the photographs and to encourage other youth to join the group, we will be posting photo albums of the events on our web site at <http://www.nativityofoursavior.org> or <http://youth.nativityofoursavior.org>

We respect the privacy of our children and parishioners, therefore, this form is to seek your permission to allow us to post your child's photo(s) on our site if we happen to take one of them. The youth have asked for a "Getting to Know" section just as the main site has. We would use a photo taken or provided for that specific purpose if your child is featured.

If however, you do not want your child's photo(s) used, we also respect that right. We ask you to indicate that as such also. If we inadvertently use a photo your child is in and you indicated for us to not use it, just email or call the office with a description of where the photo is located, and it will be removed as soon as possible.

Please return this form in its entirety to the Youth Ministry leader or the Parish office. If we do not hear from you, we will assume you give permission for use of the photo(s) your child is in.

Thank you,

The Parish Staff and Webmaster
